German Association of Academic Medical Centers (VUD) *- Facts and Figures -*

The Association I

- Founded in 1997, located in Berlin
- Represents all 33 German Academic Medical Centers (AMC)
- Associated members from Austria (Graz) and Switzerland (Bern)
- Within the VUD, each Academic Medical Center is represented by its Chief Medical Officer (CMO) and Chief Administrative Officer (CAO).
- The principle of dual representation is also reflected in the association's management board. It consists of 3 CMOs and 3 CAOs, which reflects the typical structure of the managing board of directors of German Academic Medical Centers.

The Association II

Internal Tasks

- The VUD strengthens collaboration and exchange between AMCs by organizing standing committees on various topics, ranging from financial issues to human resources to quality management.
- The association also provides a wide range of benchmarking services for its members.

External Tasks

- The VUD advocates its members' interests in public as well as in the legislative process on the state, federal and European level.
- Ensures a unified stance vis-à-vis further stakeholders within the self-government of the German health care system (other hospitals, health insurance funds etc.).

MEDIZINISCHER
FAKULTÄTENTAG

- Founded in 2008 as an umbrella association for VUD and MFT (Association of Faculties of Medicine)
- Reflects the growing importance of an integrated approach to the tripartite mission of research, teaching and education.
- Growing number of AMC's that organize themselves as an integrated model (merger of faculty and hospital within one legal entity.)
